Support Your Cause

Time and money:

you volunteer your time and donate your money and you may think of it as giving back. Actually, you are also **getting back** because knowing you have made a difference can be very gratifying. Looking for a cause? **MCAP's Key to Hope™** program supports Habitat for Humanity®.

Beautify Your Home

Does your home need a makeover?

Perhaps your family needs a little bit more room? Do you need a space to entertain, a new bedroom or that wonderful deck you have been thinking about for years? Consider a line of credit from MCAP. If big projects are not possible this year, small things like changing window treatments or a fresh coat of paint can do the trick.

Be creative!

Your vacation is precious and your time to relax,

rejuvenate and have fun. A little bit of planning goes a long way! Cover the basics: vaccines, passport renewals, sun screen, travel-size toiletries, camera, batteries etc. Research your destination and create a list of must-do things! Doing 'nothing' is great too... Bring along great music. Read. Journal.
